

KYOCERA ECOSYS P3055dn

Outstanding Printer for Large Workgroups

The KYOCERA ECOSYS P3055dn, chosen by BLI analysts as the winner of a Summer 2017 Pick award for “Outstanding Printer for Large Workgroups,” offers...

- An outstanding value with a much lower than average cost per page and total cost of ownership.
- Support for a wide range of mobile printing options.
- Simple operation from the device and from users’ desktops.
- Fast speeds in most modes means less time spent waiting for jobs.

“The KYOCERA ECOSYS P3055dn is a robust workhorse that can be counted on to churn out pages in the most demanding environments, while providing fast speeds and a significantly lower than average total cost of ownership,” said Marlene Orr, Director of Printer/MFP Analysis for Keypoint Intelligence - Buyers Lab. “It’s also very simple to use from the straightforward control panel and from users’ desktops via its well-designed, feature-rich print drivers, which includes PRESCRIBE, a tool that enables users to create graphics, logos, and forms and save them to device memory for on-demand printing. Flexible mobile support lets workers print from nearly anywhere.”

“The KYOCERA ECOSYS P3055dn is a straightforward device that can be relied on to more than handle the demands of busy workgroup environments,” said Tony Maceri, Senior Test Technician for Keypoint Intelligence - Buyers Lab. “With its perfect reliability performance and impressive productivity performance, combined with how easy it is to use, large workgroups can expect it to keep workers productive. The unit also offers an impressive level of feedback to users’ workstations, keeping them well aware of device status before they send jobs to it. And administrators will appreciate the detailed information and advanced functionality offered by Kyocera’s Command Center RX and Net Viewer utilities.”

About **Keypoint Intelligence - Buyers Lab**

Keypoint Intelligence is a one-stop shop for the digital imaging industry. With our unparalleled tools and unmatched depth of knowledge, we cut through the noise of data to offer clients the unbiased insights and responsive tools they need in those mission-critical moments that define their products and empower their sales.

For over 50 years, Buyers Lab has been the global document imaging industry's resource for unbiased and reliable information, test data, and competitive selling tools. What started out as a consumer-based publication about office equipment has become an all-encompassing industry resource. In a landscape that's ever evolving, we change with it.

About **Buyers Lab Pick Awards**

Buyers Lab Picks stand alone in the industry and are hard-earned awards as they are based on rigorous testing, including an extensive durability assessment and evaluation of key attributes such as usability, image quality, and value. Each product that passes our lab test earns Buyers Lab's Recommended or Highly Recommended seal and our Certificate of Reliability, with the best performers qualifying as Pick contenders.
